Great schools, like ours in Grosse Ile, enrich the academic programs with athletic opportunities that teach the value of teamwork and sportsmanship. Such athletic programs are most successful when parents and community members support them. Grosse Ile has more athletic opportunities per student than any other high school in Michigan! These student athletes deserve the best athletic experience possible. Our ability to help these student athletes is facilitated through the support of community members, like you, who fund our efforts with an annual donation of \$95 or \$55, and who selflessly volunteer their time to our fundraising events. Funds raised through our membership drive, annual track and field meet, golf outing, concessions, comedy show and holiday basketball tournament support all of our sports teams. Your support is critical in these challenging times.

Each year the Grosse Ile Athletic Boosters Club (GIABC) provides support and funding for three (3) awards banquets, varsity letters, certificates and plaques, event programs and concessions. During the past few years the Athletic Boosters provided funding for uniforms for five varsity sports teams, weight room equipment, gym scoreboards and enhancements, field striper, softball and baseball field renovations, AED's located in various locations and custom padded gym chairs.

Concessions

Four (4) Athletic Booster scholarships of \$500.00 were awarded in 2017 to graduating seniors. The Ron Solack Memorial scholarships were awarded to Sydney Kreger and Adam Kopp. The Jay Tissot scholarships were awarded to Kate Tobin and Neil Smorch. Congratulations to these outstanding seniors!

Golf Outing
Charles Butler

This year the Athletic Boosters Club is offering two levels of sponsorship for the 2016-2017 academic school year. The "Red" level provides membership and a premium GIABC item for \$95.00. The "Grey" level will provide membership for \$55.00.

Holiday Hoop Tournaments
Ron Schmit

Our monthly Athletic Booster meetings are typically held on the second Wednesday of each month at 7:00 pm in the Grosse Ile High School Media center. All parents and community members are welcome. Many of our volunteers no longer have students in the schools and yet they continue to volunteer their time and resources for the benefit of our student athletes.
